

# Neighbourhood Pollinator Survey

We want to use the gardening knowledge of people in our neighbourhood to improve our gardens for pollinators, and ensure that we have a good range of plants. Please fill out this survey by ticking off all the species found in your garden to help us gather initial data on pollinators in our neighbourhood.

Street / House  
Number

	Buff-tailed Bumblebee	<input type="checkbox"/>		Common Wasp	<input type="checkbox"/>		Marmalade Hoverfly	<input type="checkbox"/>
	Red-tailed Bumblebee	<input type="checkbox"/>		Mason Wasp	<input type="checkbox"/>		Zebra-Striped Hoverfly	<input type="checkbox"/>
	Honey Bee	<input type="checkbox"/>		7-Spot Ladybird	<input type="checkbox"/>		Orange-tip Butterfly	<input type="checkbox"/>
	Tawny Mining Bee	<input type="checkbox"/>		Flower Beetle	<input type="checkbox"/>		6-spotted Burnet Moth	<input type="checkbox"/>
